

Heavy Duty / Farm Tire Service Technician

 **55 Keays Street, Dauphin, MB**

 **Full-time**

Why You'll Love Working at Denray Tire

At Denray Tire, we're a family-owned company with 7 locations and growing. Many of our team members stay for years because we **treat people right, reward hard work, and provide opportunities to advance.**

If you're looking for steady work, hands-on challenges, and the chance to master a skilled trade in the tire industry, this is the role for you.

What We Offer:

- Paid overtime
- Full benefits: health, dental, vision, life insurance, wellness program
- Employee discounts
- Training and career advancement opportunities
- Company-provided mobile service truck and tools

What You'll Be Doing

- Install, balance, rotate, and repair passenger, light truck, commercial, agriculture, and off-road tires
- Operate and maintain mobile service truck and equipment safely
- Perform on-site tire service at customer locations and roadside
- Perform scheduled fleet tire inspections for commercial clients
- Diagnose tire-related issues and perform repairs, rotations, and installations
- Assist shop teammates as needed
- Run crane service truck for large on-farm repairs
- Participate in after-hours/emergency service (premium pay)
- Maintain shop, equipment, and trucks
- Work closely with management and teammates to get the job done right
- Running crane service truck for large farm repairs including changeovers on-site in a farm setting

What We're Looking For

- Valid driver's license with clean abstract
- Experience as a Tire Technician (agriculture, construction, or commercial)
- Mechanical aptitude with fleet vehicles
- Willingness to work overtime, Saturdays, and on-call
- Strong interpersonal and customer service skills
- Ability to lift heavy tires (125 lbs) and problem-solve in the field
- Commitment to safety and excellence
