

Heavy Duty / OTR / Farm Tire Service Technician

Winnipeg, MB - Brandon, MB - Dauphin, MB – Regina, SK – Saskatoon, SK – Moosomin, SK

Full-Time, Permanent | In Person

Looking for more than just another job?

Denray Tire is looking for someone who wants to learn, work hard, and build a long-term career in the tire industry. **Experience is great — but attitude matters more. We're willing to train the right person.**

For over 50 years, Denray Tire has been family-owned and operated, and we believe in giving people the opportunity to grow. If you're dependable, mechanically inclined, and not afraid of hands-on work, we want to hear from you.

What We Offer

- Paid overtime
- Full benefits: health, dental, vision, life insurance, wellness program
- Employee discounts
- Training and career advancement opportunities

What You'll Be Doing

- Install, balance, rotate, and repair passenger, light truck, commercial, agriculture, and off-road tires
- Operate and maintain mobile service truck and equipment safely
- Perform on-site tire service at customer locations and roadside
- Perform scheduled fleet tire inspections for commercial clients
- Diagnose tire-related issues and perform repairs, rotations, and installations
- Assist shop teammates as needed
- Participate in after-hours/emergency service (premium pay)
- Maintain shop, equipment, and trucks
- Work closely with management and teammates to get the job done right
- Running crane service truck for large farm and OTR repairs including changeover on-site.

What We're Looking For

- Valid driver's license with clean abstract
- Experience in tires, farming, construction, trucking, mechanical work, or service work is considered an asset — but we're willing to train the right candidate
- Willingness to work overtime, Saturdays, and on-call
- Strong interpersonal and customer service skills
- Ability to lift heavy tires (125 lbs) and problem-solve in the field
- Commitment to safety and excellence

This is physical, hands-on work — but it's also a chance to build valuable skills in a stable industry with a company that invests in its people.

At Denray Tire, we've been family-owned and operated for over 50 years. Our team members enjoy competitive wages, paid overtime, full benefits, employee discounts, and opportunities for growth. If you're looking for steady work, hands-on challenges, and the chance to master a skilled trade in the tire industry, this is the role for you.
