

Red Seal Mechanic – Join the Denray Tire Team

Winnipeg, MB - Brandon, MB - Dauphin, MB – Regina, SK – Saskatoon, SK – Moosomin, SK

Full-Time, Permanent | In Person

Why You'll Love Working Here

At **Denray Tire**, we've spent 50 years building more than a company—we've built a family. Our team members are the reason we've grown from a small shop into one of Western Canada's most trusted names in the tire and service industry.

Now, we're looking for a skilled **Red Seal Mechanic** to bring their expertise and pride in the trade to our team.

When you join us, you'll get:

- **Monday–Friday, daytime schedule** (your evenings and weekends are yours!)
 - **Full benefits package** – extended health, dental, and more
 - **Employee discounts** for you and your family at all Denray Tire locations in MB & SK
 - **Well-equipped shop** with modern tools, alignment machines, and service trucks
 - **Supportive team culture** – we work together, grow together, and have each other's backs
-

What You'll Do

- Diagnose, service, and repair a wide range of light-duty vehicles
 - Perform wheel alignments, brake and suspension work, and safeties up to 8,900kg
 - Handle electrical and chassis diagnostics with confidence
 - Complete tire services, changeovers, and repairs
 - Road test vehicles before and after repairs
 - Mentor apprentices and lead by example in the shop
 - Maintain a clean, safe, and organized work environment
-

What We're Looking For

- **Red Seal Certification**
 - Experience in brakes, shocks, suspension, and alignments
 - Ability to work in a physically active role with heavy lifting as needed
 - Pride in doing the job right and keeping customers safe on the road
 - Team-first mindset with strong communication and leadership skills
-

At Denray Tire, we've been family-owned and operated for over 50 years. Our team members enjoy competitive wages, paid overtime, full benefits, employee discounts, and opportunities for growth. If you're looking for steady work, hands-on challenges, and the chance to master a skilled trade in the tire industry, this is the role for you.
